GALAXY DESSERTS

Why play the martyr and toil all day over the mixer, when you can summon Jean-Yves Charon and have a professional take care of the after-dinner sweets. Galaxy Desserts will deliver a pristine specimen from their extensive collection of award-winning mousse cakes, cheesecakes, and tarts that are not only delicious but visually stunning too. All desserts are made from the finest ingredients, including the best European chocolate, and arrive in perfect condition within two days of ordering.
