Mousse Duos desserts*

Jan. 10, 2007 - Serving dessert at a dinner party just got easier. The new Whole Foods Market on Preston at Forest sells a variety of Mousse Duos – individual layered mousse desserts – in disposable glasses.

Choose from Cappuccino (a coffee-chocolate duo), Chocolate Mousse (dark and milk chocolate layers), Raspberry-Lemon and Crème Caramel (liquid caramel is on the bottom). All are topped with whipped cream and a garnish and sell for \$1.99 each. Transporting these pretty desserts is easy; the bakery nests them in cardboard cartons that hold the glasses in place.
