- **3-year Sales Growth of 134.8%**
- **No. 2,297 on the 2009 Inc. 5000 list**
- **Oprah's Favorite Croissants & Molten Chocolate Cake**

Richmond, Calif. (August 12, 2009) – Galaxy Desserts Inc., the leader in all-natural, individual-size, French-inspired desserts, announced today that it has been ranked in the prestigious Inc. 5000 list for the third consecutive year. The company was ranked no. 2,297, having achieved a three-year sales growth rate of 134.8%. The company's 2008 ranking was no. 4,687 with a 49.8% three-year sales growth rate. Within the Food & Beverage industry, Galaxy Dessert ranked no. 57, and for the San Francisco regional area, ranked no. 81. The 3rd annual Inc. 5000 list honors the fastest-growing private companies in the United States. The list represents a comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs.

"We are thrilled to have achieved the rare 'hat trick' of being recognized on the Inc. 5000 for three consecutive years," said Paul Levitan, co-founder, President and CEO of Galaxy Desserts. "Our strong values, continuous innovation, and passion for great desserts and pastries have helped us succeed not once, not twice, but every single year since the list's inception."
